

# ELEVATED SUBWAY TRACK - STRAIGHT

## ASSEMBLY INSTRUCTIONS

**Before starting this kit, make sure you read through all the instructions carefully. Always remember to dry fit parts and sand as needed.**

**We use two kinds of glue when assembling our kits. Super glue (cyanoacrylate) or PVA glue.**

**You can repaint or weather our kits easily! The paint we use is a great base primer and will take paint nicely.**

**If you have any issues during assembly, please contact us and we'll always help!**

**We would like to take the time to thank you for purchasing a Black Site Studios product!**
